It's all about quality...

In 1978, a journey that began in a small workshop in Istanbul, through branding steps beginning in the 2000s. Today is a covered area of 20000 m² and an open space of 4000 m², including the ongoing production with a total of 24000 m² area, 350 employees, more than 70 countries on 5 continents; is accompanied by a success story of exports with the stamp of **'made with Gondol Quality'**.

With a variety of products such as plastic containers, storage boxes, baskets, hamper, salad spinner, special edition kitchen items, stylish hobby boxes, chopping boards, ready to meet all the modern day people needs that has been universal, Gondol's product range **"surely, in every home"**.

Innovative ideas

One of the largest manufacturer and exporter company in the plastic kitchenware and household industry in Turkey.

Real technology

High tech double injection machineries 50+ injection machines capacities ranging from 120 to 1050 tons. In average, 10.000 tons of raw material consumption per year.

Milestones

SUSTAINABLE MANUFACTURE AND DEVELOPMENT APPROACH

PRINCIPLES RESPONSIBILITY

The concept of “sustainability” is indispensable for the principles of existence of Gondol Plastic. It is the fundamental value which leads the permanence of the success in becoming the “immortal” brand.

Gondol Plastic, commits to endure its existence in all its commercial activities spread over more than 80 countries worldwide; to act responsibly and ethically to employees, business partners, customers, suppliers and society and environment.

INNOVATION

With the purpose of presenting products that contribute to more spacious society, Gondol Plastic aims that all products in their life circle from design to production, from the stage of performance to destruction will be actively sector leaders and sustainable innovation.

LOW CARBON FOOTSTEPS

Gondol Plastic, commits to endure its existence in all its commercial activities spread over more than 80 countries worldwide; to act responsibly and ethically to employees, business partners, customers, suppliers and society and environment.

ACCOUNTABILITY

Approach of Gondol Plastic is to comply with all obligations regarding the laws and regulations in its all activities and provide further; and prove its liability through regular reports on its performance in a transparent and explicit form for its stakeholders, customers, business partners.

COMMITMENTS SOCIETY

With the philosophy of “sustainability”, the strong reputation of the Gondol brand is preserved, its operating competence and license are constant, profitability grows and all stakeholders are protected

Gondol Plastic; to create value for its existence and to provide benefits have close positive relationships with local and global communities. On the basis of this is the commitment to the welfare and development of its employees and the support for social and humanitarian projects.

ENVIRONMENT

Gondol Plastic; By reducing emissions, protecting natural resources and optimizing the use of sustainable energy and materials, commits for continuous development for production process and environmental performance of products

CUSTOMERS AND PRODUCTS

Gondol Plastik declares its commitment to providing exceptional and functional products that meet the needs of its customers and to support transition to a society with a lower carbon footprint.

VENDORS

Gondol Plastic, during the supply chain, expects the most responsive behavior and the highest performance standards. Just and responsible business practices supports and always encourages cooperation in search of a sustainable solution
