LOVE OF PASTA

Besler Pasta (Bessan Makarna Gıda San. ve Tic. AŞ.) was founded on 5 July 2004 as an investment of Besler Group in pasta sector, which is also operational in starch-glucose and feed sectors as well as the biggest flour plant of Turkey.

Besler Pasta plants founded in Gaziantep Baspınar 1st Organized Industry Zone consist of a closed area 18.500 m² on 37.960 m² area.

With a daily production capacity of 300 tones, it is one of the biggest macaroni producers in Turkey.

Besler Pasta, which is among the biggest 1000 export firms of Turkey, carries out export to about 90 countries to a large extent and conducts production with the trademark of the customers from time to time apart from its own trademarks such as Santa Sophia, Besler, Besler Gluten Free, Pastacity, Gonca, Donatella, Cinque Stelle and Kitlax.

Also, production of macaroni cookie is carried out under the trademark of Kitlax in our plants.

Besler Pasta, which has annually 155.000 tons wheat crushing capacity, employs 200 employees.
